

# DATA PRIVACY AGREEMENT

## QUESTAR III

and

## SOLIMAN PRODUCTIONS

This Data Privacy Agreement ("DPA") is by and between the Rensselaer, Columbia and Greene Counties Board of Cooperative Educational Services, ("QUESTAR III"), an Educational Agency, and [Soliman Productions] ("Contractor"), collectively, the "Parties".

### ARTICLE I: DEFINITIONS

As used in this DPA, the following terms shall have the following meanings:

**Breach:** The unauthorized acquisition, access, use, or disclosure of Personally Identifiable Information in a manner not permitted by State and federal laws, rules and regulations, or in a manner which compromises its security or privacy, or by or to a person not authorized to acquire, access, use, or receive it, or a Breach of Contractor's security that leads to the accidental or unlawful destruction, loss, alteration, unauthorized disclosure of, or access to Personally Identifiable Information.

1. **Commercial or Marketing Purpose:** means the sale, use or disclosure of Personally Identifiable Information for purposes of receiving remuneration, whether directly or indirectly; the sale, use or disclosure of Personally Identifiable Information for advertising purposes; or the sale, use or disclosure of Personally Identifiable Information to develop, improve or market products or services to students.

**Disclose:** To permit access to, or the release, transfer, or other communication of personally identifiable information by any means, including oral, written or electronic, whether intended or unintended.

**Education Record:** An education record as defined in the Family Educational Rights and Privacy Act and its implementing regulations, 20 U.S.C. 1232g and 34 C.F.R. Part 99, respectively.

**Educational Agency:** As defined in Education Law 2-d, a school district, board of cooperative educational services, school, charter school, or the New York State Education Department.

**Eligible Student:** A student who is eighteen years of age or older.

**Encrypt or Encryption:** As defined in the Health Insurance Portability and Accountability Act of 1996 (HIPAA) Security Rule at 45 CFR 164.304, means the use of an algorithmic process to transform Personally Identifiable Information into an unusable, unreadable, or indecipherable

form in which there is a low probability of assigning meaning without use of a confidential process or key.

**NIST Cybersecurity Framework:** The U.S. Department of Commerce National Institute for Standards and Technology Framework for Improving Critical Infrastructure Cybersecurity Version 1.1.

**Parent:** A parent, legal guardian or person in parental relation to the Student.

**Personally Identifiable Information (PII):** Means personally identifiable information as defined in section 99.3 of Title 34 of the Code of Federal Regulations implementing the Family Educational Rights and Privacy Act, 20 U.S.C 1232g , and Teacher or Principal APPR Data, as defined below.

1. **Release:** Shall have the same meaning as Disclose.

**School:** Any public elementary or secondary school including a charter school, universal pre-kindergarten program authorized pursuant to Education Law § 3602-e, an approved provider of preschool special education, any other publicly funded pre-kindergarten program, a school serving children in a special act school district as defined in Education Law § 4001, an approved private school for the education of students with disabilities, a State-supported school subject to the provisions of Article 85 of the Education Law, or a State-operated school subject to the provisions of Articles 87 or 88 of the Education Law.

2. **Student:** Any person attending or seeking to enroll in an Educational Agency.

**Student Data:** Personally identifiable information as defined in section 99.3 of Title 34 of the Code of Federal Regulations implementing the Family Educational Rights and Privacy Act, 20 U.S.C 1232g.

**Subcontractor:** Contractor's non-employee agents, consultants and/or subcontractors engaged in the provision of services pursuant to the Service Agreement.

1. **Teacher or Principal APPR Data:** Personally Identifiable Information from the records of an Educational Agency relating to the annual professional performance reviews of classroom teachers or principals that is confidential and not subject to release under the provisions of Education Law §§ 3012-c and 3012-d.

## ARTICLE II: PRIVACY AND SECURITY OF PII

### Compliance with Law.

In order for Contractor to provide certain services ("Services") to QUESTAR III pursuant to a contract dated [February 2, 2021] ("Service Agreement"); Contractor may receive PII regulated by several New York and federal laws and regulations, among them, the Family Educational Rights and Privacy Act ("FERPA") at 12 U.S.C. 1232g (34 CFR Part 99); Children's Online Privacy Protection Act ("COPPA") at 15 U.S.C. 6501-6502 (16 CFR Part 312); Protection of Pupil Rights Amendment ("PPRA") at 20 U.S.C. 1232h (34 CFR Part 98); the Individuals with Disabilities Education Act ("IDEA") at 20 U.S.C. 1400 et seq. (34 CFR Part 300); New York Education Law Section 2-d; and the Commissioner of Education's Regulations at 8 NYCRR Part 121. The Parties enter this DPA to address the requirements of New York law. Contractor agrees to maintain the confidentiality and security of PII in accordance with applicable New York, federal and local laws, rules and regulations.

#### **Authorized Use.**

Contractor has no property or licensing rights or claims of ownership to PII, and Contractor must not use PII for any purpose other than to provide the Services set forth in the Service Agreement. Neither the Services provided nor the manner in which such Services are provided shall violate New York law.

#### **Data Security and Privacy Plan.**

Contractor shall adopt and maintain administrative, technical and physical safeguards, measures and controls to manage privacy and security risks and protect PII in a manner that complies with New York State, federal and local laws and regulations and QUESTAR III's policies. Education Law Section 2-d requires that Contractor provide QUESTAR III with a Data Privacy and Security Plan that outlines such safeguards, measures and controls including how the Contractor will implement all applicable state, federal and local data security and privacy requirements. Contractor's Data Security and Privacy Plan is attached to this DPA as Exhibit C.

#### **QUESTAR III's Data Security and Privacy Policy**

State law and regulation requires QUESTAR III to adopt a data security and privacy policy that complies with Part 121 of the Regulations of the Commissioner of Education and aligns with the NIST Cyber Security Framework. Contractor shall comply with QUESTAR III's data security and privacy policy and other applicable policies.

#### **Right of Review and Audit.**

Upon request by QUESTAR III, Contractor shall provide QUESTAR III with copies of its policies and related procedures that pertain to the protection of PII. It may be made available in a form that does not violate Contractor's own information security policies, confidentiality obligations, and applicable laws. In addition, Contractor may be required to undergo an audit of its privacy and security safeguards, measures and controls as it pertains to alignment with the requirements of New York State laws and regulations, QUESTAR III's policies applicable to Contractor, and alignment with the NIST Cybersecurity Framework performed by an independent third party at Contractor's expense, and provide the audit report to QUESTAR III. Contractor may provide QUESTAR III with a recent industry standard independent audit report on Contractor's privacy and security practices as an alternative to undergoing an audit.

#### **Contractor's Employees and Subcontractors.**

Contractor shall only disclose PII to Contractor's employees and subcontractors who need to know the PII in order to provide the Services and the disclosure of PII shall be limited to the extent necessary to provide such Services. Contractor shall ensure that all such employees and subcontractors comply with the terms of this DPA.

Contractor must ensure that each subcontractor performing functions pursuant to the Service Agreement where the subcontractor will receive or have access to PII is contractually bound by a written agreement that includes confidentiality and data security obligations equivalent to, consistent with, and no less protective than, those found in this DPA.

Contractor shall examine the data security and privacy measures of its subcontractors prior to utilizing the subcontractor. If at any point a subcontractor fails to materially comply with the requirements of this DPA, Contractor shall: notify QUESTAR III and remove such subcontractor's access to PII; and, as applicable, retrieve all PII received or stored by such subcontractor and/or ensure that PII has been securely deleted and destroyed in accordance with this DPA. In the event there is an incident in which the subcontractor compromises PII, Contractor shall follow the Data Breach reporting requirements set forth herein.

Contractor shall take full responsibility for the acts and omissions of its employees and subcontractors.

Contractor must not disclose PII to any other party unless such disclosure is required by statute, court order or subpoena, and the Contractor makes a reasonable effort to notify QUESTAR III of the court order or subpoena in advance of compliance but in any case, provides notice to

QUESTAR III no later than the time the PII is disclosed, unless such disclosure to QUESTAR III is expressly prohibited by the statute, court order or subpoena.

### **Training.**

Contacto shall ensure that all its employees and Subcontractors who have access to PII have received or will receive training on the federal and state laws governing confidentiality of such data prior to receiving access.

### **Termination**

The obligations of this DPA shall continue and shall not terminate for as long as the Contractor or its sub-contractors retain PII or retain access to PII.

### **Data Return and Destruction of Data.**

- (a) Protecting PII from unauthorized access and disclosure is of the utmost importance to QUESTAR III, and Contractor agrees that it is prohibited from retaining PII or continued access to PII or any copy, summary or extract of PII, on any storage medium (including, without limitation, in secure data centers and/or cloud-based facilities) whatsoever beyond the period of providing Services to QUESTAR III, unless such retention is either expressly authorized for a prescribed period by the Service Agreement or other written agreement between the Parties, or expressly requested by QUESTAR III for purposes of facilitating the transfer of PII to QUESTAR III or expressly required by law. As applicable, upon expiration or termination of the Service Agreement, Contractor shall transfer PII, in a format agreed to by the Parties to QUESTAR III.
- (b) If applicable, once the transfer of PII has been accomplished in accordance with QUESTAR III's written election to do so, Contractor agrees to return or destroy all PII when the purpose that necessitated its receipt by Contractor has been completed. Thereafter, with regard to all PII (including without limitation, all hard copies, archived copies, electronic versions, electronic imaging of hard copies) as

well as any and all PII maintained on behalf of Contractor in a secure data center and/or cloud-based facilities that remain in the possession of Contractor or its Subcontractors, Contractor shall ensure that PII is securely deleted and/or destroyed in a manner that does not allow it to be retrieved or retrievable, read or reconstructed. Hard copy media must be shredded or destroyed such that PII cannot be read or otherwise reconstructed, and electronic media must be cleared, purged, or destroyed such that the PII cannot be retrieved. Only the destruction of paper PII, and not redaction, will satisfy the requirements for data destruction. Redaction is specifically excluded as a means of data destruction.

- (c) Contractor shall provide QUESTAR III with a written certification of the secure deletion and/or destruction of PII held by the Contractor or Subcontractors.
- (d) To the extent that Contractor and/or its subcontractors continue to be in possession of any de-identified data (i.e., data that has had all direct and indirect identifiers removed), they agree not to attempt to re-identify de-identified data and not to transfer de-identified data to any party.

**Commercial or Marketing Use Prohibition.**

Contractor agrees that it will not sell PII or use or disclose PII for a Commercial or Marketing Purpose.

**Encryption.**

Contractor shall use industry standard security measures including encryption protocols that comply with New York law and regulations to preserve and protect PII. Contractor must encrypt PII at rest and in transit in accordance with applicable New York laws and regulations.

**Breach.**

- (e) Contractor shall promptly notify QUESTAR III of any Breach of PII without unreasonable delay no later than seven (7) business days after discovery of the

Breach. Notifications required pursuant to this section must be in writing, given by personal delivery, e-mail transmission (if contact information is provided for the specific mode of delivery), or by registered or certified, and must to the extent available, include a description of the Breach which includes the date of the incident and the date of discovery; the types of PII affected and the number of records affected; a description of Contractor's investigation; and the contact information for representatives who can assist QUESTAR III. Notifications required by this section must be sent to QUESTAR III's District Superintendent or other head administrator with a copy to the Data Protection Office. Violations of the requirement to notify QUESTAR III shall be subject to a civil penalty pursuant to Education Law Section 2-d. The Breach of certain PII protected by Education Law Section 2-d may subject the Contractor to additional penalties.

- (f) Notifications required under this paragraph must be provided to QUESTAR III at the following address:

Rafael A, Olazagasti III

School Attorney

Questar III

16 Empire State BLVD

Castleton NY 12033

Rafael.olazagasti@questar.org

**Cooperation with Investigations.**

Contractor agrees that it will cooperate with QUESTAR III and law enforcement, where necessary, in any investigations into a Breach. Any costs incidental to the required cooperation or participation of the Contractor or its' Authorized Users, as related to such investigations, will be the sole responsibility of the Contractor if such Breach is attributable to Contractor or its Subcontractors.

**Notification to Individuals.**

Where a Breach of PII occurs that is attributable to Contractor, Contractor shall pay for or promptly reimburse QUESTAR III for the full cost of QUESTAR III's notification to Parents, Eligible Students, teachers, and/or principals, in accordance with Education Law Section 2-d and 8 NYCRR Part 121.

**Termination.**

The confidentiality and data security obligations of the Contractor under this DPA shall survive any termination of this DPA but shall terminate upon Contractor's certifying that it has destroyed all PII.

**ARTICLE III: PARENT AND ELIGIBLE STUDENT PROVISIONS**

**Parent and Eligible Student Access.**

Education Law Section 2-d and FERPA provide Parents and Eligible Students the right to inspect and review their child's or the Eligible Student's Student Data stored or maintained by QUESTAR III. To the extent Student Data is held by Contractor pursuant to the Service Agreement, Contractor shall respond within thirty (30) calendar days to QUESTAR III's requests for access to Student Data so QUESTAR III can facilitate such review by a Parent or Eligible Student, and facilitate corrections, as necessary. If a Parent or Eligible Student contacts Contractor directly to review any of the Student Data held by Contractor pursuant to the Service Agreement, Contractor shall promptly notify QUESTAR III and refer the Parent or Eligible Student to QUESTAR III.

**Bill of Rights for Data Privacy and Security.**

As required by Education Law Section 2-d, the Parents Bill of Rights for Data Privacy and Security and the supplemental information for the Service Agreement are included as Exhibit A and Exhibit B, respectively, and incorporated into this DPA. Contractor shall complete and sign Exhibit B and append it to this DPA. Pursuant to Education Law Section 2-d, QUESTAR III is required to post the completed Exhibit B on its website.

**ARTICLE IV: MISCELLANEOUS**

**Priority of Agreements and Precedence.**

In the event of a conflict between and among the terms and conditions of this DPA, including all Exhibits attached hereto and incorporated herein and the Service Agreement, the terms and conditions of this DPA shall govern and prevail, shall survive the termination of the Service Agreement in the manner set forth herein, and shall supersede all prior communications, representations, or agreements, oral or written, by the Parties relating thereto.

**Execution.**

This DPA may be executed in one or more counterparts, all of which shall be considered one and the same document, as if all parties had executed a single original document, and may be executed utilizing an electronic signature and/ or electronic transmittal, and each signature thereto shall be and constitute an original signature, as if all parties had executed a single original document.

## EXHIBIT A - Education Law §2-d Bill of Rights for Data Privacy and Security

Parents (including legal guardians or persons in parental relationships) and Eligible Students (students 18 years and older) can expect the following:

A student's personally identifiable information (PII) cannot be sold or released for any Commercial or Marketing purpose. PII, as defined by Education Law § 2-d and the Family Educational Rights and Privacy Act ("FERPA"), includes direct identifiers such as a student's name or identification number, parent's name, or address; and indirect identifiers such as a student's date of birth, which when linked to or combined with other information can be used to distinguish or trace a student's identity. Please see FERPA's regulations at 34 CFR 99.3 for a more complete definition.

1. The right to inspect and review the complete contents of the student's education record stored or maintained by an educational agency. This right may not apply to Parents of an Eligible Student.
2. State and federal laws such as Education Law § 2-d; the Commissioner of Education's Regulations at 8 NYCRR Part 121, FERPA at 12 U.S.C. 1232g (34 CFR Part 99); Children's Online Privacy Protection Act ("COPPA") at 15 U.S.C. 6501-6502 (16 CFR Part 312); Protection of Pupil Rights Amendment ("PPRA") at 20 U.S.C. 1232h (34 CFR Part 98); and the Individuals with Disabilities Education Act ("IDEA") at 20 U.S.C. 1400 et seq. (34 CFR Part 300); protect the confidentiality of a student's identifiable information.
3. Safeguards associated with industry standards and best practices including, but not limited to, encryption, firewalls and password protection must be in place when student PII is stored or transferred.
4. A complete list of all student data elements collected by NYSED is available at [www.nysed.gov/data-privacy-security/student-data-inventory](http://www.nysed.gov/data-privacy-security/student-data-inventory) and by writing to: Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany, NY 12234.
5. The right to have complaints about possible breaches and unauthorized disclosures of PII addressed. (i) Complaints should be submitted to QUESTAR III at: (ii) Complaints may also be submitted to the NYS Education Department at [www.nysed.gov/data-privacy-security/report-improper-disclosure](http://www.nysed.gov/data-privacy-security/report-improper-disclosure), by mail to: Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany, NY 12234; by email to [privacy@nysed.gov](mailto:privacy@nysed.gov); or by telephone at 518-474-0937.
6. To be notified in accordance with applicable laws and regulations if a breach or unauthorized release of PII occurs.
7. Educational agency workers that handle PII will receive training on applicable state and federal laws, policies, and safeguards associated with industry standards and best practices that protect PII.
1. Educational agency contracts with vendors that receive PII will address statutory and regulatory data privacy and security requirements.

## EXHIBIT C - CONTRACTOR'S DATA PRIVACY AND SECURITY PLAN

### CONTRACTOR'S DATA PRIVACY AND SECURITY PLAN

The Educational Agency (QUESTAR III) is required to ensure that all contracts with a third-party contractor include a Data Security and Privacy Plan, pursuant to Education Law § 2-d and Section 121.6 of the Commissioner's Regulations. For every contract, the Contractor must complete the following or provide a plan that materially addresses its requirements, including alignment with the NIST Cybersecurity Framework, which is the standard for educational agency data privacy and security policies in New York state. **While this plan is not required to be posted to QUESTAR III's website, contractors should nevertheless ensure that they do not include information that could compromise the security of their data and data systems.**

1	Outline how you will implement applicable data security and privacy contract requirements over the life of the Contract.	All information is maintained on a secure web server in what we believe to be a well protected environment. All data will be permanently deleted at the conclusion of the event.
2	Specify the administrative, operational and technical safeguards and practices that you have in place to protect PII.	Only members of the Soliman Productions team will have access to the information provided. The information will not be shared with any external parties or team members who do not require access to the information for registration or communication purposes.
3	Address the training received by your employees and any subcontractors engaged in the provision of services under the Contract on the federal and state laws that govern the confidentiality of PII.	All employees have completed training to handle sensitive or personal data and receive updated training quarterly.
4	Outline contracting processes that ensure that your employees and any subcontractors are bound by written agreement to the requirements of the Contract, at a minimum.	Soliman Productions' contracting process specifies the limited access and minimal handling of sensitive or personal information. As per our contract, all personal information will be used

		solely for the purposes described (i.e. registration and pre-event communications).
5	Specify how you will manage any data security and privacy incidents that implicate PII and describe any specific plans you have in place to identify breaches and/or unauthorized disclosures, and to meet your obligations to report incidents to QUESTAR III.	All personal data will be stored securely on our private servers and only uploaded to MemberPress (event site registration) and MailChimp (pre-event communications). We comply and agree to the aforementioned companies' privacy policies and handling of secure data.
6	Describe how data will be transitioned to QUESTAR III when no longer needed by you to meet your contractual obligations, if applicable.	All data will be permanently deleted from our servers upon the conclusion of the event.
7	Describe your secure destruction practices and how certification will be provided to QUESTAR III.	Upon the conclusion of the event, the personal data provided to Soliman Productions will be securely destroyed within a period of (3) business days.
8	Outline how your data security and privacy program/practices align with QUESTAR III's applicable policies.	Soliman Productions does not disclose personal information to external companies for any reason other than to input the registrants into our Registration system (MemberPress) or to send secure email communications (MailChimp). Soliman Productions stores all personal information on a secure server, to which team members have limited and supervised access.
9	Outline how your data security and privacy program/practices	PLEASE USE TEMPLATE

materially align with the NIST CSF v1.1 using the Framework chart below.	BELOW.
--	--------

EXHIBIT C.1 – NIST CSF TABLE

The table below will aid the review of a Contractor’s Data Privacy and Security Plan. Contractors should complete the Contractor Response sections in the table below to describe how their policies and practices align with each category in the Data Privacy and Security Plan template. To complete these 23 sections, a Contractor may: (i) Demonstrate alignment using the National Cybersecurity Review (NCSR) Maturity Scale of 1-7 ; (ii) Use a narrative to explain alignment (may reference its applicable policies ); and/or (iii) Explain why a certain category may not apply to the transaction contemplated. Further informational references for each category can be found on the NIST website at <https://www.nist.gov/cyberframework/new-framework>. Please use additional pages if needed.

Function	Category	Contractor Response
<b>IDENTIFY (ID)</b>	<b>Asset Management (ID.AM):</b> The data, personnel, devices, systems, and facilities that enable the organization to achieve business purposes are identified and managed consistent with their relative importance to organizational objectives and the organization’s risk strategy.	Soliman Productions only requires the email address of each registrant to provide them with login credentials to our secure event site, and to send pre-event communications via email. We request but do not require the attendee First and Last Name, which will be used for the same purposes.
	<b>Business Environment (ID.BE):</b> The organization’s mission, objectives, stakeholders, and activities are understood and prioritized; this information is used to inform cybersecurity roles, responsibilities, and risk management decisions.	Soliman Productions acknowledges that Questar III will provide only the necessary personal information to allow the Contractor to perform the duties outlined in the event contract.
	<b>Governance (ID.GV):</b> The policies, procedures, and processes to manage and monitor the organization’s regulatory, legal, risk, environmental, and operational requirements are understood and inform the management of cybersecurity risk.	Soliman Productions will take reasonable and appropriate measures to protect Personal Information from loss, misuse and unauthorized access, disclosure, alteration and destruction, taking into account the risks involved in the processing and the nature of the Personal Information.
	<b>Risk Assessment (ID.RA):</b> The organization understands the cybersecurity risk to organizational operations (including mission, functions, image, or reputation), organizational assets, and individuals.	Soliman Productions will host all personal information on a secure server, which will be permanently deleted at the conclusion of the event.
	<b>Risk Management Strategy (ID.RM):</b> The organization’s priorities, constraints, risk tolerances, and assumptions are established and used to support operational risk decisions.	All provided personal information is only accessible to team members who require specific access. Any unauthorized users will be denied access.
	<b>Supply Chain Risk Management (ID.SC):</b> The organization’s priorities, constraints, risk	Soliman Productions has established and implemented compliance standards for the handling of all personal information. All employees

<b>PROTECT (PR)</b>	<p>tolerances, and assumptions are established and used to support risk decisions associated with managing supply chain risk. The organization has established and implemented the processes to identify, assess and manage supply chain risks.</p>	<p>have been comprehensively trained to manage secure data.</p>
	<p><b>Identity Management, Authentication and Access Control (PR.AC):</b> Access to physical and logical assets and associated facilities is limited to authorized users, processes, and devices, and is managed consistent with the assessed risk of unauthorized access to authorized activities and transactions.</p>	<p>Only authorized Soliman Productions team members will be permitted to access personal information, and will solely access said information to perform duties outlined in the event contract. All access to personal information is password protected and securely encrypted.</p>
	<p><b>Awareness and Training (PR.AT):</b> The organization's personnel and partners are provided cybersecurity awareness education and are trained to perform their cybersecurity-related duties and responsibilities consistent with related policies, procedures, and agreements.</p>	<p>All employees have completed training to handle sensitive or personal data and receive updated training quarterly. All employees have unique login credentials to access personal information and access is limited to those employees who require access for registration or pre-event communication purposes.</p>
	<p><b>Data Security (PR.DS):</b> Information and records (data) are managed consistent with the organization's risk strategy to protect the confidentiality, integrity, and availability of information.</p>	<p>All data is stored on a secure server and will be permanently deleted at the conclusion of the event. All data access requires unique login credentials.</p>
	<p><b>Information Protection Processes and Procedures (PR.IP):</b> Security policies (that address purpose, scope, roles, responsibilities, management commitment, and coordination among organizational entities), processes, and procedures are maintained and used to manage protection of information systems and assets.</p>	<p>Soliman Productions only requires the registrant email addresses, and requests the First and Last name, to register said attendees to our secure event site and provide important pre-event communications with the registrants. The personal information will be only used for the specified event and will be securely and permanently deleted at the conclusion of the event.</p>
	<p><b>Maintenance (PR.MA):</b> Maintenance and repairs of industrial control and information system components are performed consistent with policies and procedures.</p>	<p>All system components are regularly maintained and observed for quality control. The servers on which the data is stored are private to Soliman Productions.</p>
	<p><b>Protective Technology (PR.PT):</b> Technical security solutions are managed to ensure the security and resilience of systems and assets, consistent with related policies, procedures, and agreements.</p>	<p>Soliman Productions complies with the Telecommunication Security Guidelines as set by NIST.</p>
<b>DETECT (DE)</b>	<p><b>Anomalies and Events (DE.AE):</b> Anomalous activity is detected and the potential impact of events is understood.</p>	<p>All employees are trained to detect and identify anomalous activity and react quickly to minimize risk.</p>
	<p><b>Security Continuous Monitoring (DE.CM):</b> The information system and assets are monitored to identify cybersecurity events and verify the effectiveness of protective measures.</p>	<p>All data is securely stored and accessible only by relevant team members. Team members are trained to identify security risks and unusual activity and to react promptly.</p>
	<p><b>Detection Processes (DE.DP):</b> Detection processes and procedures are maintained and tested to ensure awareness of anomalous events.</p>	<p>Soliman Productions has a dedicated department lead who specializes in the identification and resolution of anomalous activity. All team members are trained to identify anomalous activity.</p>
<b>RESPOND (RS)</b>	<p><b>Response Planning (RS.RP):</b> Response processes and procedures are executed</p>	<p>Soliman Productions has a risk management plan in place to be enacted in the event of a cybersecurity breach and has taken all</p>

	and maintained, to ensure response to detected cybersecurity incidents.	reasonable precautions to prevent such an event.
	<b>Communications (RS.CO):</b> Response activities are coordinated with internal and external stakeholders (e.g. external support from law enforcement agencies).	Soliman Productions will securely provide personal data if required to respond to lawful requests by public authorities, including to meet national security or law enforcement requirements
	<b>Analysis (RS.AN):</b> Analysis is conducted to ensure effective response and support recovery activities.	All team members are trained in risk analysis and receive quarterly training updates.
	<b>Mitigation (RS.MI):</b> Activities are performed to prevent expansion of an event, mitigate its effects, and resolve the incident.	A designated response team member will act in the event of a data breach by securing the physical area, removing data from unauthorized sources, and removing network vulnerabilities.
	<b>Improvements (RS.IM):</b> Organizational response activities are improved by incorporating lessons learned from current and previous detection/response activities.	Soliman Productions' best practices are frequently revised and updated to reflect technological and legal changes in the handling of sensitive data.
<b>RECOVER (RC)</b>	<b>Recovery Planning (RC.RP):</b> Recovery processes and procedures are executed and maintained to ensure restoration of systems or assets affected by cybersecurity incidents.	Soliman Productions has a plan in place to quickly redirect available resources to the recovery and restoration of information systems following a cybersecurity breach.
	<b>Improvements (RC.IM):</b> Recovery planning and processes are improved by incorporating lessons learned into future activities.	Soliman Productions frequently updates its security procedures and best practices to reflect changes in data management and prevent mistakes being made more than once.
	<b>Communications (RC.CO):</b> Restoration activities are coordinated with internal and external parties (e.g. coordinating centers, Internet Service Providers, owners of attacking systems, victims, other CSIRTs, and vendors).	Soliman Productions has a designated team member to coordinate recovery and restoration plans and implement new best practices in response to cybersecurity breaches.
