

# Outstanding Student Delegates Selection:

PR/HYLI Outstanding Student Delegates may be chosen as either junior or senior students. [See Chart Below.]

These students must embody what it means to be a PR/HYLI leader.

- They are respectful of others and are willing to consider other viewpoints.
- They take initiative and inspire others to do so as well.
- They show strong critical thinking and decision making skills and communicate effectively and appropriately at all times.
- Evaluators will choose these students to represent PR/HYLI in regional field trips outside of home delegations.

In an effort to maintain fairness and offer equitable opportunities to all PR/HYLI delegates, we are asking that you please choose THREE Outstanding Student Delegates annually. These students will be invited to represent their Home PR/HYLI Delegations on different regional field trips.

**Note: They will not be invited to attend both field trips**

- ~~~~~
- Two Senior Students (12th Grade) - to attend Washington, D.C.
  - One Junior Student (11th Grade) - to attend Puerto Rico

School Year	Senior Outstanding Delegates (Washington, D.C - same year)	Junior Outstanding Delegate (Puerto Rico - following year)
